Work experience:

Design Intern @ Mowalola

The Old Truman Brewery, 91 Brick Ln, London E1 6QL

May 2019-September 2019

Interning for a notable alumnus of CSM was a personally eye-opening experience due to the fact that I was able to see the vast growth the designer has reached from the same starting point as myself.

My crucial role as a design intern at Mowalola was cutting out patterns, picking up/dropping off pieces from collection to/from shoots, and running errands around the city. However, occasional tasks included sewing custom designs for performing artists and other industry clients.

Production intern @ Eckhaus Latta

3311 W. Washington Blvd, Los Angeles CA 90018

June 2018-August 2018

My role at Eckhaus Latta was carrying out tasks such as managing stock at retail brands such as Opening Ceremony, Nordstrom, Ssense, MatchesFashion, Browns, & LN-CC. I was also able to partake in organizing "Eckhaus Latta: Possessed" at the Whitney Museum of American Art in New York.

Education:

BA (Hons) Womenswear,
Central Saint Martins 2018-2022

After gaining a foundation diploma at CSM's Archway campus, I was then accepted into their BA (Hons) Womenswear Program. I've had the great privilege of working with industry through collaborations with notable brands such as Balenciaga and Nike.
